

Summer Camp at WLD Ranch is an experience your campers won't soon forget. Our Round-ups are full of activities to make your camper's week full of memories.

Bible Round-Up (All camps) – Live Free: Trained by God's Grace

Throughout the week, campers meet with camp counselors in cabin groups to focus on the Bible Round-Up theme for the summer. Last summer, Bible Round Up taught us about God's amazing grace. This summer, we'll look at what the grace of God teaches us – to live self-controlled, upright, and godly lives in this world – while we study Titus 2:11-14. God's grace has appeared in Jesus, who offers salvation to all. How we live our lives after receiving God's grace matters.

Chuckwagon (All camps)

WLD's Chuckwagon is once again full of the latest Ranch wear and souvenirs and the greatest snacks around, so campers should come prepared! (We recommend depositing camper money into the WLD Ranch bank for safe keeping. Then they can access their account at the Chuckwagon.)

Free time activities (All camps)

Campers will have many supervised free time activities to choose from during the afternoons (and some evenings), including swimming, archery, riflery, horse rides/trail rides, bouldering wall, mountainboards, game room, and more!

Skill Tracks – for Round-ups #1, 1D, 2, 2D, 3, and 3D

(Note: Trailblazer and Explorer Round-ups have a separate list of skill track choices, described in full on the website. Tenderfoot campers will sample many of these tracks as part of their Tenderfoot Camp experience.)

Campers attending the Pathfinder Camps (overnight or day camps) must choose a Skill Track for their week of camp. Skill Tracks meet each morning except Friday. (Skill Tracks are limited in size and are first come, first served.)

Adventure Team: Learn to think creatively, to develop problem solving skills, to value teamwork, and to challenge yourself with a variety of adventure activities, including our challenge course, bouldering wall, canoeing, and more!

Archery: Learn about archery safety and work on developing precision and accuracy through target shooting and archery games. The class will use traditional recurve bows, but may have opportunities to shoot longbows and compound bows. They will also get to try their hand at tomahawks and atlatls.

Horsemanship: Learn the basics of riding and caring for horses. Through our sequential riding program, campers build on their knowledge and skills from year to year. (There is an additional fee of \$25.00 due at registration for RU#1, 1D, 2, 2D, 3 or 3D.)

Outdoor Skills: Learn valuable skills such as tying knots, building campfires safely, using a map and compass, and identifying animal tracks.

Pioneer Crafts: Have fun making items pioneers would have made as well as enjoying modern day crafts with a nature theme. You can take your projects home at the end of the week.

Riflery: Learn about firearm safety and shooting techniques of .22 caliber rifles. We will focus on the fundamentals of rifle shooting in order to improve accuracy for each camper.
